What is Shrimp?

The Shrimp Street Schnapps Strumpets are a way of life. We of the Brine see the prawn-head, purity, faith, lack of shame, and desire for Schnapps exhibited by our Shellfish and Savior, SHRIMP.

Shrimp were sent to us to be delicious and to show us the way to The Brine. Without them we would live in a world devoid of The Schnapps.

Are you Feeling...
Lost?
Empty?
Unclean?

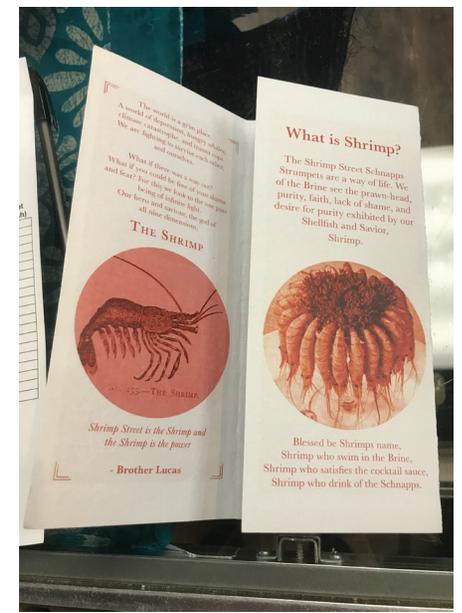

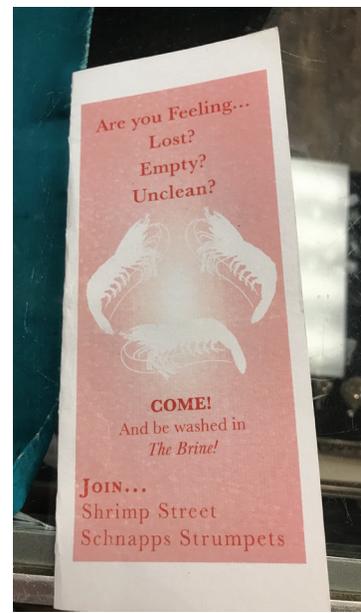

COME!
And be washed in

The world is a grim place.
A world of depression, hungry whales,
climate catastrophe, and transit cops.
We are fighting to survive each other,
and ourselves.

What if there was a way out?
What if you could be free of your shame and fear?
For this we look to the one pure being
of infinite light.
Our hero and saviour,
the god of all nine dimensions,

THE SHRIMP
